

Georgia Civil War Commission Grant Application

The Georgia Civil War Commission (GCWC) was established by the Georgia General Assembly in 1993 with a mission to "coordinate planning, preservation, and promotion of the structures, buildings, sites, and battlefields associated with this significant period of our common heritage." The Commission's annual budget may contain funds that may be expended by grants to carry out the Commission's mission.

1. Applicant

Name of Organization

Organization's Chief Executive Officer and Title

Federal Id#

Does the organization seeking the grant own the property?

Mailing Address

City

State

Zip

Property Owner, if different from above

Project Manager for Grant

Telephone Number

Project's Total Cost

Grant Amount Requested

Are there matching funds?

If so, how much?

2. Application Prepared By

Name

Title

Email address

Telephone #

3. Project Purpose and Description

A. Briefly describe (100 words or less) the purpose of the project and the actual project work to be completed. Attach additional pages as needed.

B. Please attach a more detailed project description, including the goals of the project and how these goals will be achieved with grant assistance, as well as how project work will affect the condition, use, and/or role of the resource within the community. Limited to two pages regular spaced.

C. Please attach supporting photographs of the project area (minimum of five colored photographs/ digital prints.)

D. Explain briefly how this project has the potential to increase public awareness and support of Civil War Preservation and Education within the local community and/or region and/ or state? Please attach any recent media coverage materials. Limited to three pages regular spaced

4. Project Schedule

Is this project ready to begin? Yes _____ No _____

A. Please attach an estimated schedule of project work including expected starting date and completion date. If this project is not ready to begin, please explain.

B. Please attach a list of all grants received and any pending applications submitted for this project.

C. How were project costs determined?

D. If the grant-assisted project work does not completely fulfill the ultimate project purpose, explain what additional steps are needed, and how they will be achieved.

E. All funds will be paid directly to the person/ company providing service for the project once a bill is provided, not the entity overseeing the project. **Initial** _____

***** This grant application may be submitted via mail or electronically; however, a representative must be in attendance at the next scheduled Quarterly Meeting of the GCWC for the application to be considered. *****
